👆 Pick and choose which jobs you want to promote. Only pay for what you need!

👍 Digital omni-channel campaigns optimized for lower cost per hire.

⚙ Integration with your ATS* to send all leads directly to your recruiters.

Benefits of a Direct Apps Plan

Exclusive Leads
Direct Apps are exclusive to you and your jobs. Your recruiters will receive them directly to your ATS* or email.

Promoted Jobs
Only pay for what you need! You pick and choose which jobs you want to promote to get them seen by more qualified candidates.

Higher Conversion Rate
Increase conversions with programmatic job advertising, ensuring your jobs are seen by candidates who are actively searching for assignments like yours.

Higher Response Rate
With this level of exclusivity, your recruiters will get the highest possible response rate from qualified candidates.

More Travel Nurses
The best part of Direct Apps is filling your open assignments with highly qualified travel nurses who are ready for a new assignment.

Getting Started

1. Reach out to your Client Success Manager or Account Executive and let them know you are interested.

2. They will send you an agreement and onboarding questionnaire to give our team the details they need to get you started with Direct Apps.

3. Our team will work with you to complete your account setup and have you up and receiving Direct App candidates in less than a week!
